A diligent and hardworking student, looking for a co-op opportunity. I am very passionate about computer science and am striving towards making progress in this domain. I am always prepared to learn new things and gain new experiences. I am passionate to work in an environment where I get to develop my skills and improve myself. I do my best to help people and usually try to keep communications open to achieve mutual understanding. I am open to opinions and encourage constructive criticism.

## **WORK EXPERIENCE**

### **Guest Services Ambassador**

**NOVEMBER 2022 – PRESENT**

Ripley's Aquarium of Canada, Toronto

First point of contact in providing guests with a memorable experience. Assist in all aspects of the guest Services Department and ensure service standards are followed. Perform transactions such as ticket and membership sales, refunds, etc. Respond to all guest inquiries and issues that may occur. Ensure that guests follow safety standards.

### **Fulfillment Associate**

**OCTOBER 2022 – JANUARY 2023**

ShipHero, Markham

Picking and packing products based on daily orders using tablets, mobile scanners, and desktop computers. Meeting specifics of customer orders in a timely manner. Keeping products separated, organized and in good rotation. Utilizing continuous improvement mindset and assisting in identifying opportunities to improve processes. Carrying out other tasks and duties assigned by the manager.

### **Cashier / Sales Clerk**

**AUGUST 2022 – SEPTEMBER 2022**

Rexall Drug Mart, Toronto

Accurately entering in product information, accepting cash or credit, and answering all customer inquiries. Perform stock counts and orders for designated areas accurately. Other duties as assigned by the Manager or Manager on-duty. Stocking and Organizing the store. Handling the lottery department and selling lottery tickets.

### **Warehouse Associate**

**FEBRUARY 2022 – AUGUST 2022**

Leon's Furniture, Scarborough

Loading and unloading trailers. Scanning, picking and placing case goods. Cleaning the warehouse and disposing trash. Heavy Lifting, wrapping items and preparing them for customer pickup or delivery. Organizing inventory items and assisting customers with customer pickup.

### **Team Member / Cashier**

**JANUARY 2022 – FEBRUARY 2022**

BarBurrito, Stouffville

Taking in-store/online orders and preparing food for customers. Stocking and replenishing cold and hot tables. Maintaining high customer standards and working in a fast-paced environment. Using POS for payments. Dishwashing and sanitization of the store. Cleaning the store equipment, kitchen, bathroom and FOH. Preparing food for the inventory and carrying out tasks like chopping and organizing the stock.

## **RELEVANT VOLUNTEERING EXPERIENCE**

### **Collision Conference**

**20 JUNE 2022 – 23 JUNE 2022**

Web Summit, Toronto

Registered attendees, speakers, partners, and media for the conference. Helped the attendees and answered their questions. Aided the media team to set up their equipment for the event. Kept track of the food inventory and made sure that food was served to everyone at the event. Helped the speakers' team which involved working closely with the speakers at the event and attending to their needs. Acquired valuable insight on the tech startup culture and networked with a lot of people.

### **Cybersecurity Awareness**

**29 OCTOBER 2021**

CyberPeace Foundation and UN Volunteers India

Discussed various cyber threats in recent times. Drafted solutions to solve cyber security issues and implemented some best practices to protect ourselves from these threats.
